United We Stand

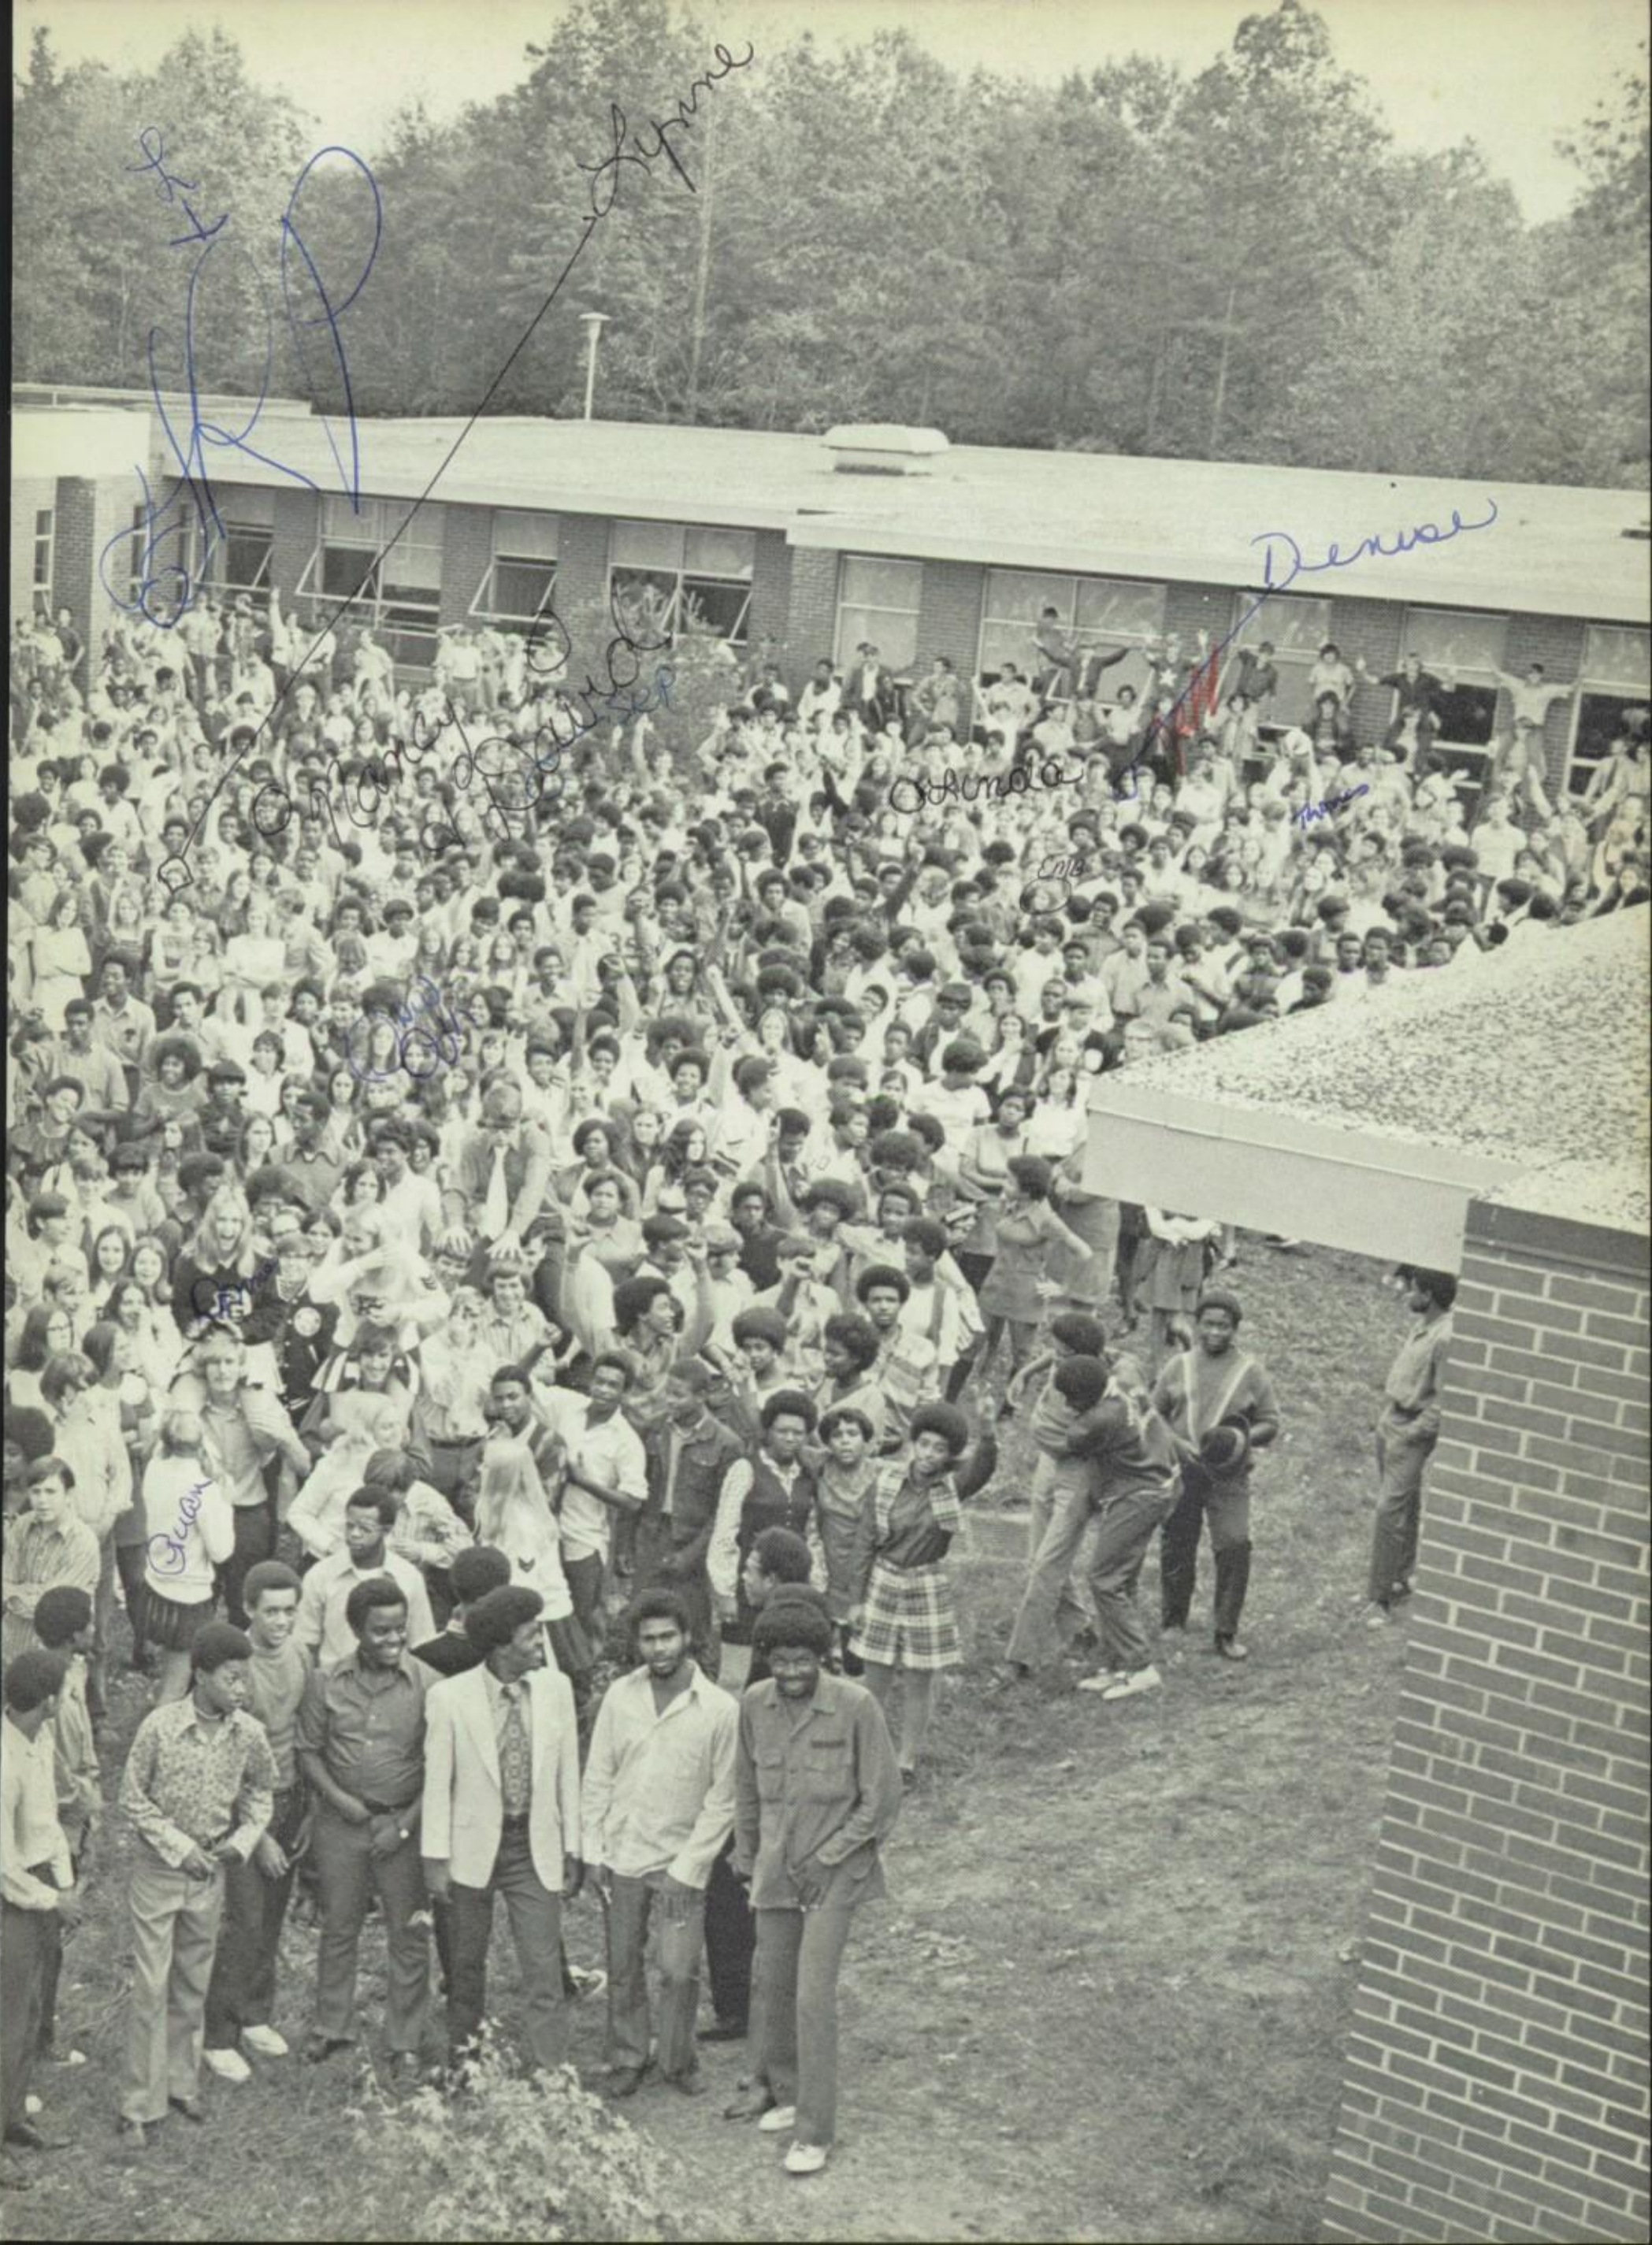
The Forester

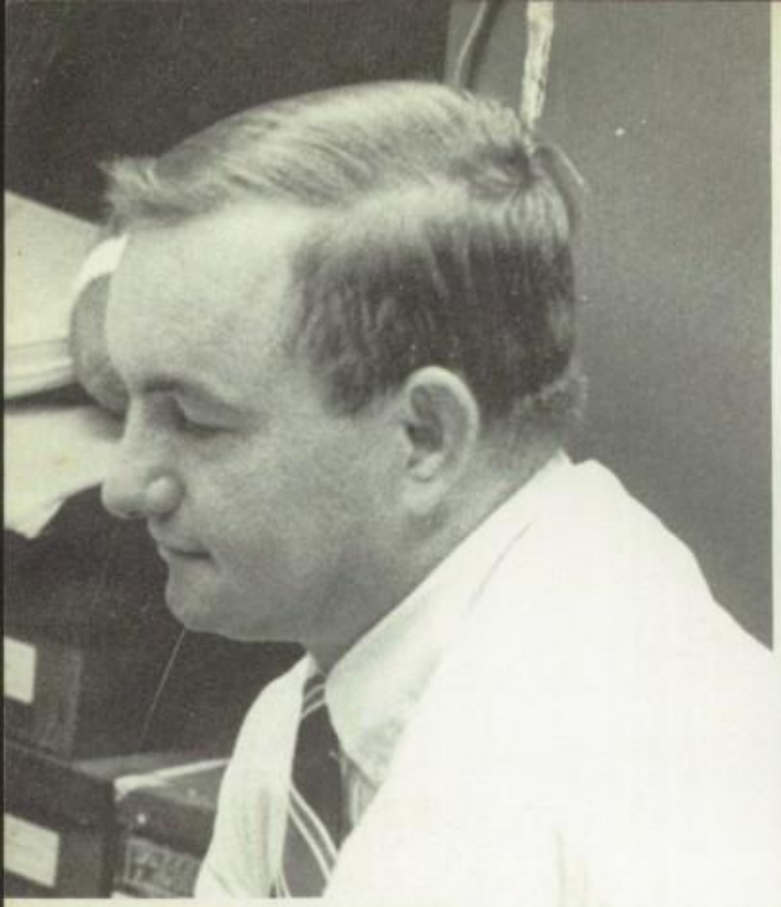
Published by the Beta Club

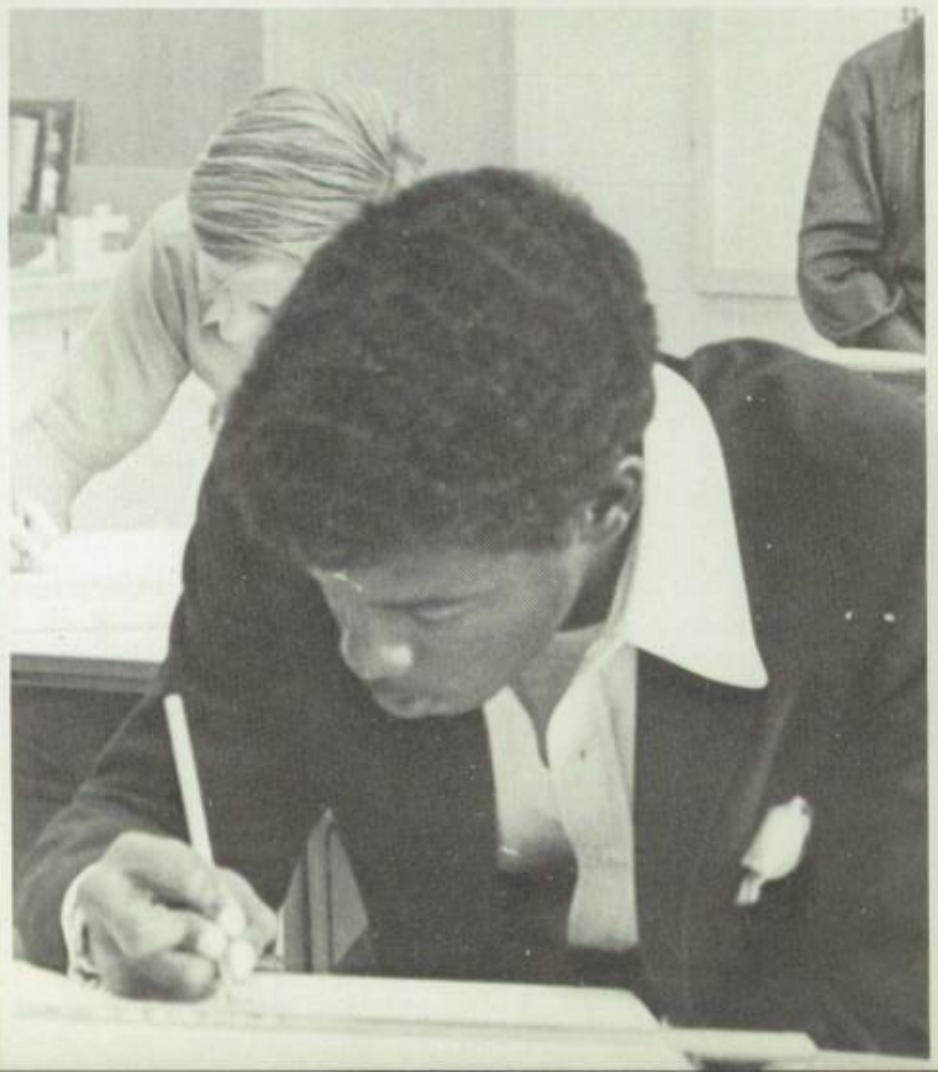
Forest Glen High School

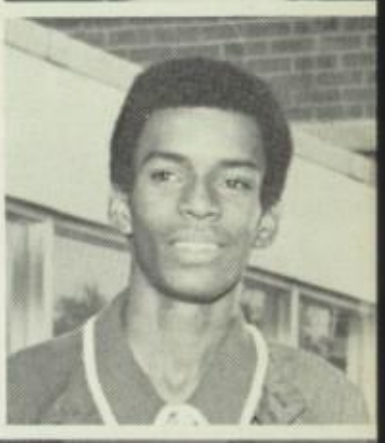
We are one people
and will act as
one.

Schiller

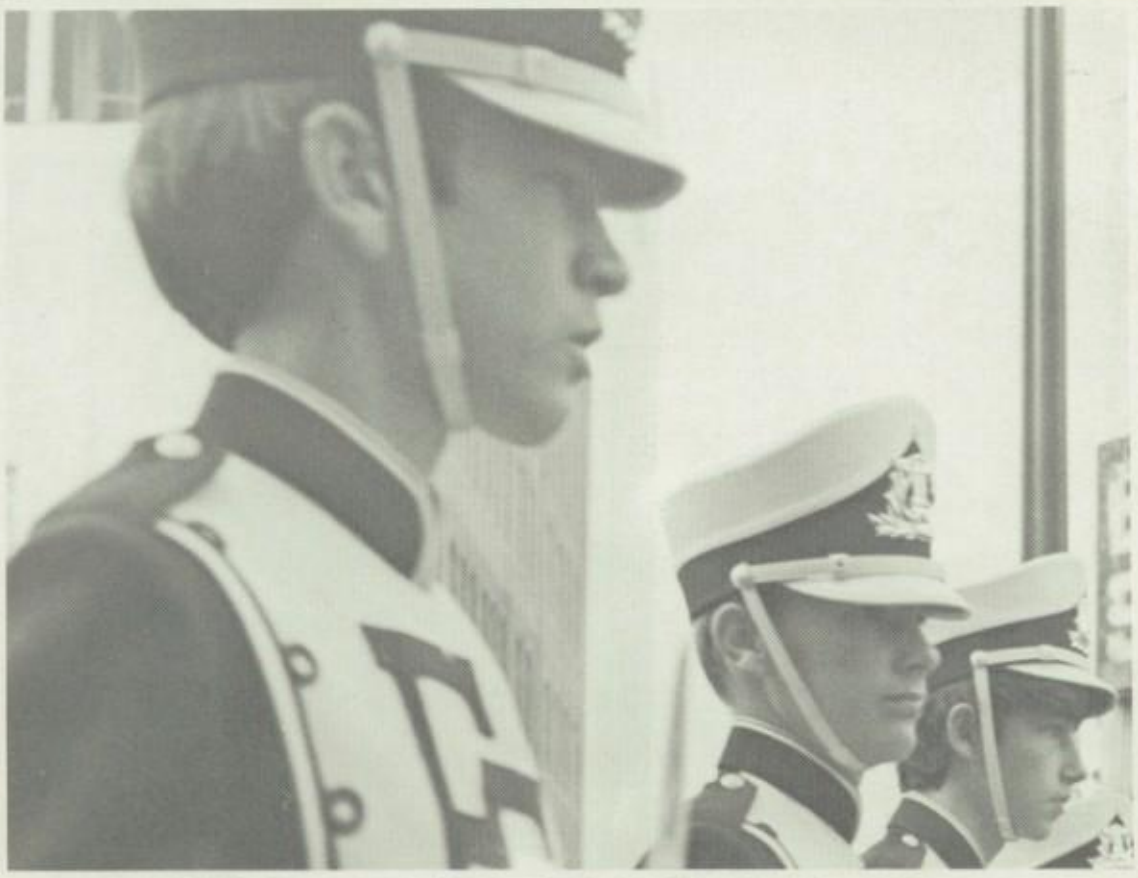








Faces reflect unique worlds in themselves.



We face each other, first as strangers, then as friends. The going was rough at first, but since then we have found true friends. The world we live in today is full of troubles and tribulations, but with a true friend we can face the worst day — with a smile.

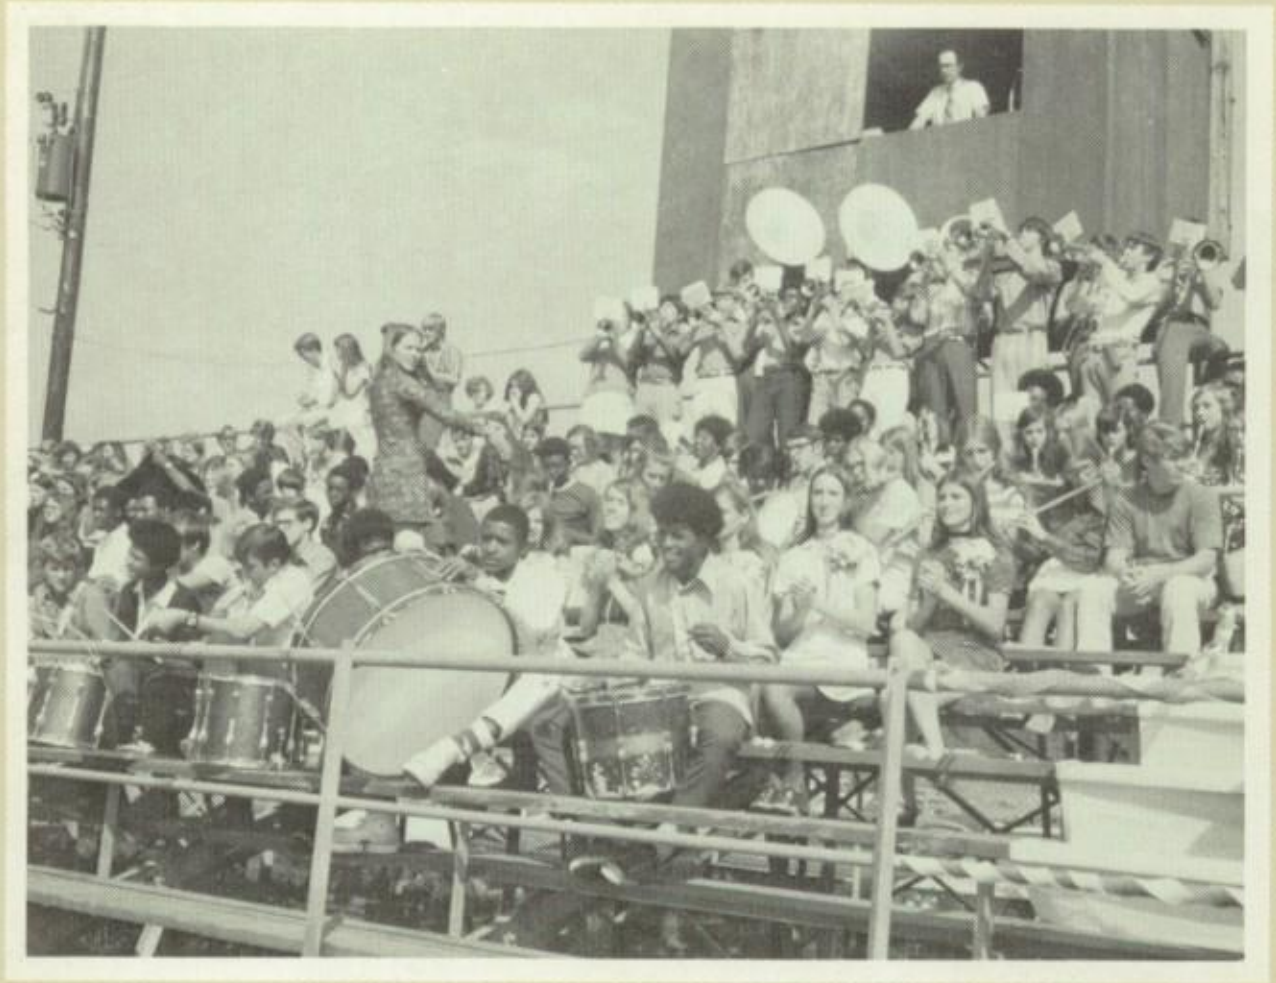
"And in the sweetness of friendship let there be laughter, and the sharing of pleasures."

—Gibran

"Work and play! work and play! The order of the universe."

—John Davidson

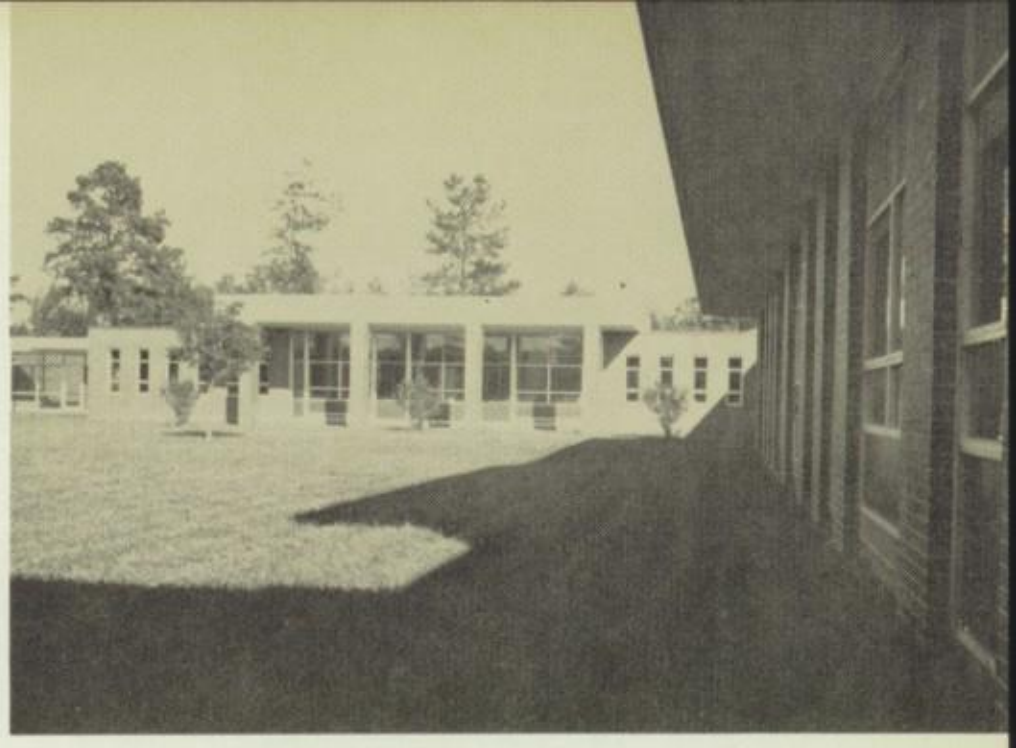
Cooperation is the key to unity; working together and seeing through facades into special needs and problems of each person to offer understanding. We work together for Forest Glen – one body, one whole . . . made up of unique individuals.



"In all we strive and hope to have, support is the necessity."

—Waller

Let it be said that Forest Glen is the haven where brother supports brother, helping each other over obstacles, and where school and the welfare of others replace self as our most important thoughts.



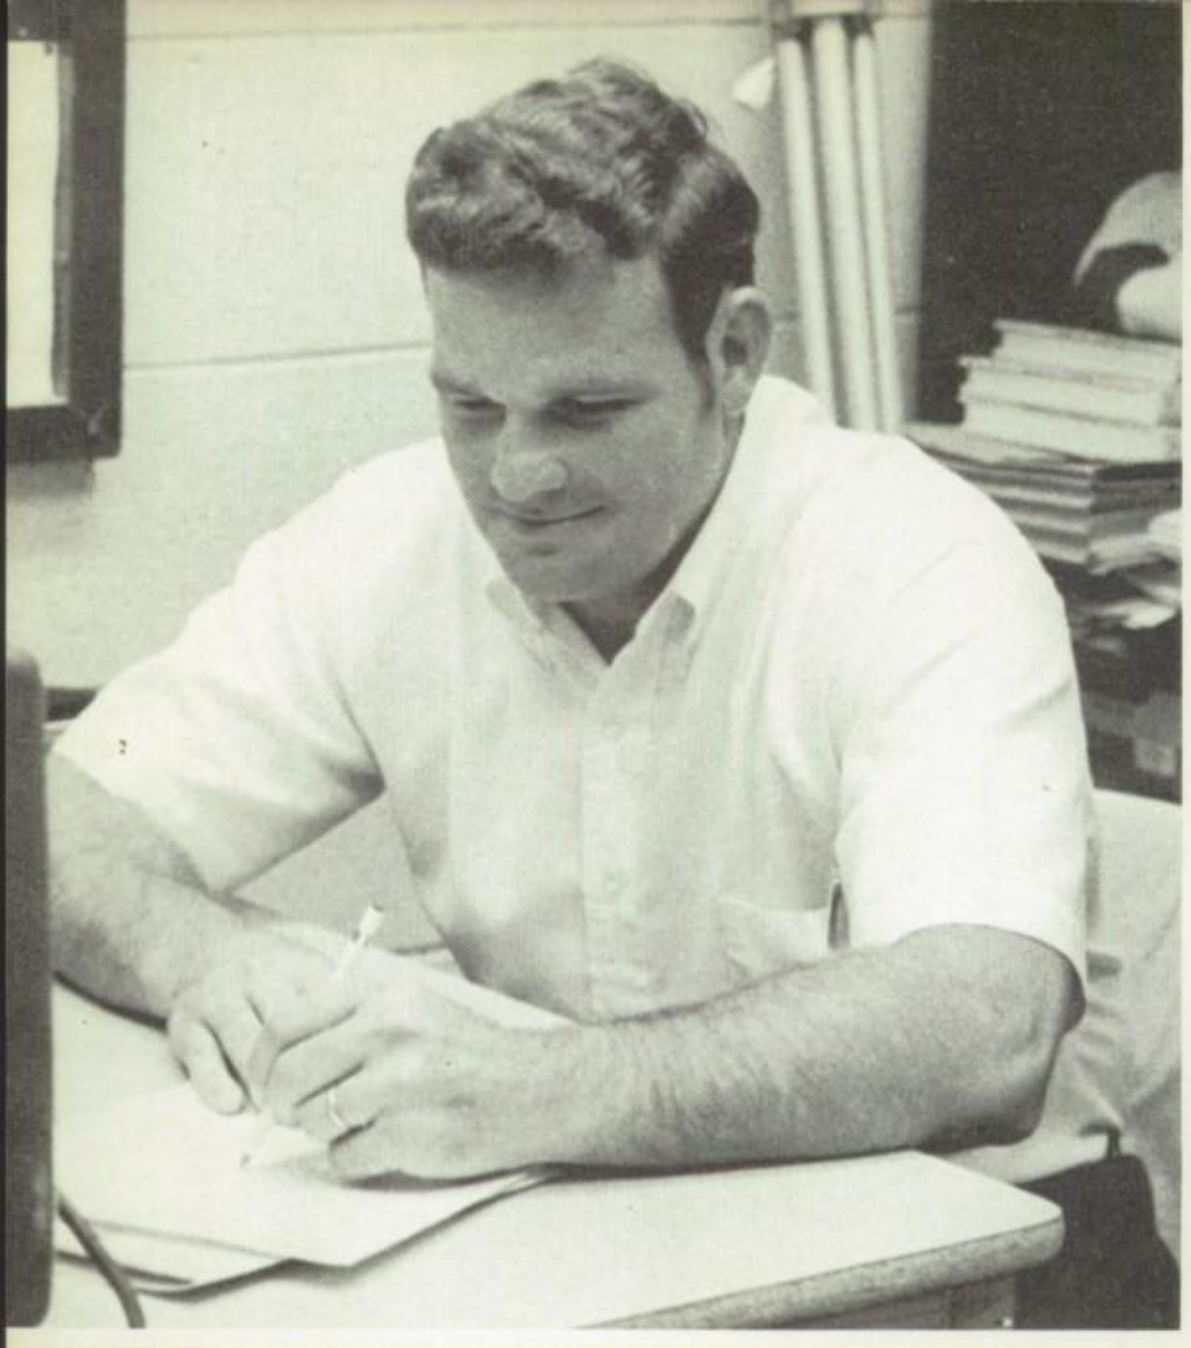
"Let the victory fall where it will, we are on that side."

—Emerson

Victory: the all important treasure man continously reaches out for. Its secret of happiness is fully understood only by those who have met many obstacles and lost many battles along the road leading to its intangible and infinite treasure. Through wins and defeats, the Rangers will be victorious.

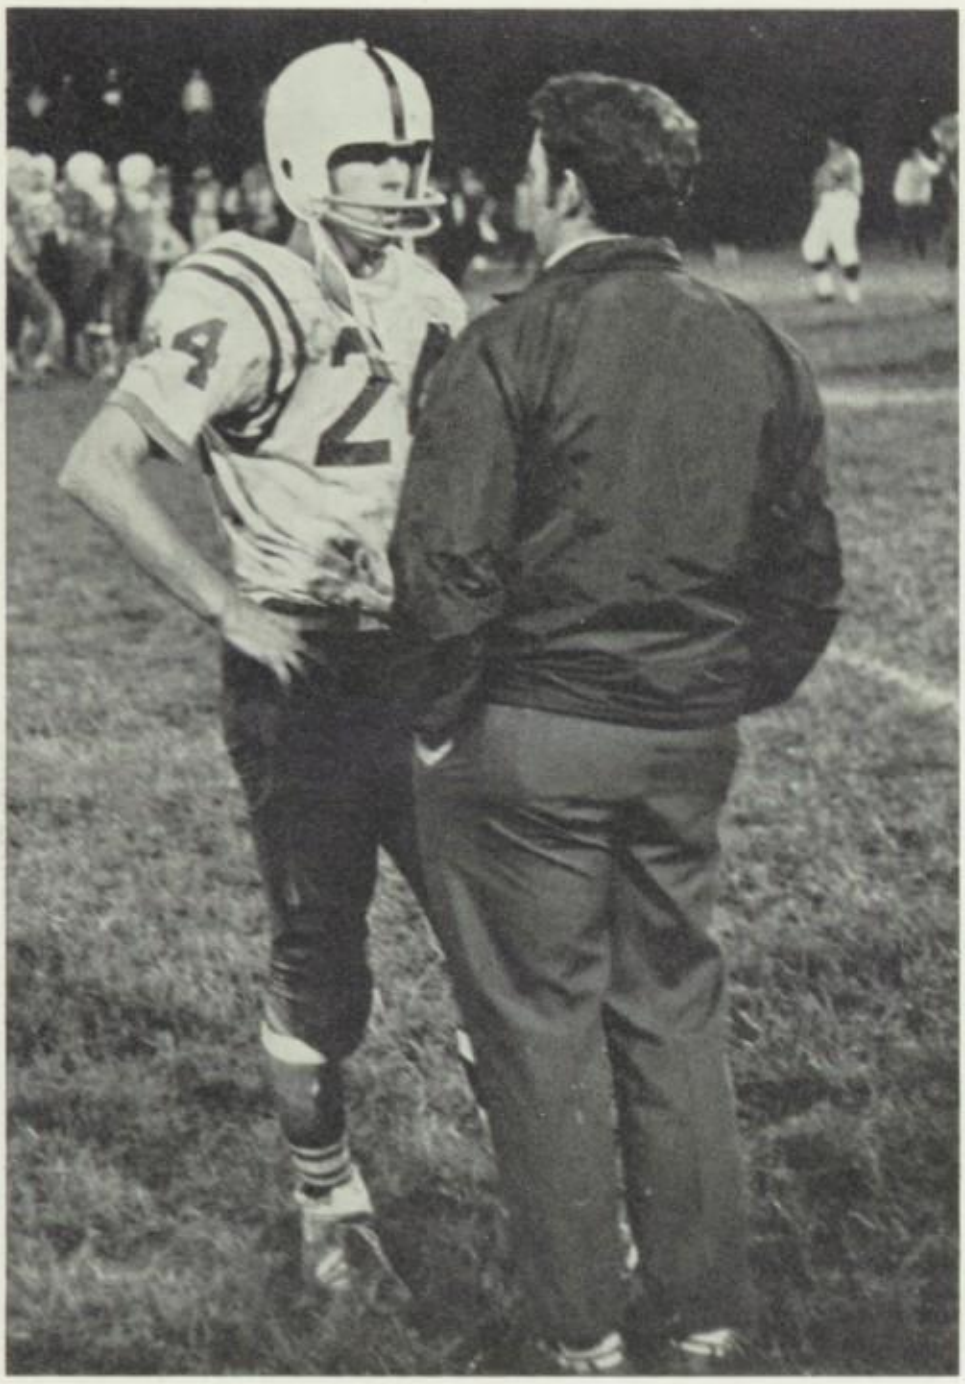
"But it's not the going,
But that I find the way."
—Patrick McDonough

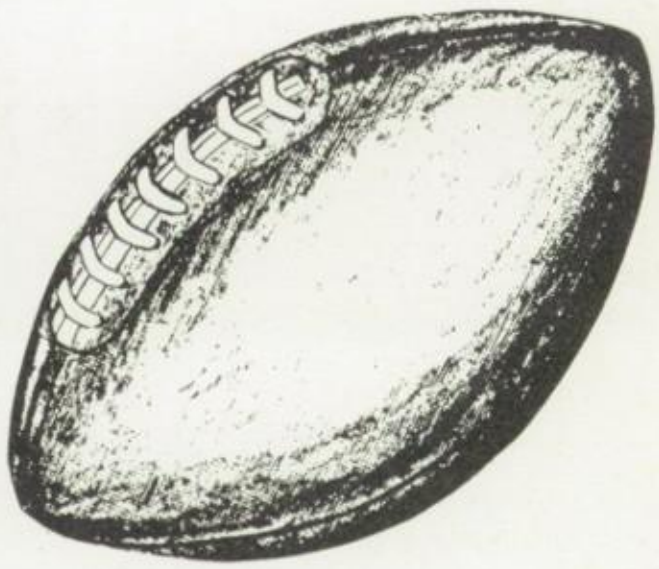
Our school — more than just a building. In living and growing here, it becomes a part of us, and we, a part of it. We leave in a rush on ordinary days, but deep inside we know our day to leave will come.



"The improvement of the understanding is for two ends: first, for our own increase of knowledge; secondly, to enable us to deliver and make out that knowledge to others."

—John Locke





A great teacher is one who fills the student with the knowledge of his mind, not only the important facts, but also that of a sound mind and common sense. He blends this idea of common sense and knowledge into a wholesome mixture that has molded the character of many students. He does not come with the attitude to separate "the men from the boys" but to develop each student to his full potential.

So, we, the Beta Club of Forest Glen High School dedicate with pride and pleasure the 1972 Forester to Dennis A. Maddrey.

Art Exhibit

The Art Club has been chosen as the "Club of the Year" by the Forester Staff because of its outstanding contributions to the community. They constructed a basket with funds from the student body and filled it with fruit at Thanksgiving and toys at Christmas. This was delivered to Obici Memorial Hospital. Also, their art exhibit was displayed in the school lobby and viewed by the student body.

Be found with one.

Tommy,
I'm sorry we didn't have
any classes together. I wish we had
all that I could get to know you
better. You are a real sweetie guy and I
hope you stay that way. Be good and
I will see you around.
Sincerely,
Lisa Wallin

Mr. Thomas,
I must say that with a libe in one hand
you look like the world's largest hypocrate.
Seriously I've enjoyed being in assorted classes----
(and trouble) with you. Remember! Don't do
anything I would do!
Daird P. Jones

Yours truly,
Debra Lee Bailey

Dear Mr. Thomas,
I'm sorry that I've been such a pain in the

Tommy,
Let me be the first to say
it has been a great learning
experience knowing you in
this my senior year. We really
have done a lot of things
together. I know that you
remember the time you were
in trouble in Mr. Hall's class
and the time you were
in the office with me.
Remember the strawberries
and cream? Well, I hope
you have a wonderful
summer. The next time
I see you I hope you
will be a lot taller.
Love,
Lisa

Tommy,
It's been great knowing

hope you will come in more

can hold on to Beth, because she's
really a nice person.
